

## ALL HANDS MEETING

**JUNE 28**  
**10AM - 1PM**

**LOCATION**  
**Calit2 Auditorium**

*Pizza Lunch Will Be Provided*

The INRF and BiON annual All Hands meeting is a chance for all affiliates of the facilities to come and hear about the latest news and updates found within our labs. This event will include short presentations from collaborating industry partners that bring with them exciting opportunities housed in our clean rooms. New and exciting equipment and/or process technologies recently installed or coming soon into the lab spaces will also be presented. EH&S will present and discuss relevant safety information that will be invaluable to all users. This event is mandatory for all Users in the facility.

### SPEAKERS:

- Hesse Mechatronics, Inc
